1. YOUR APPOINTMENT; SCOPE

- 1.1. As used herein, the terms “You” and “Your,” primarily, refer to the entity seeking enrollment in the NetApp Partner Sphere Program that you represent but, where context indicates, may refer to you, individually, but only in your capacity as a representative of the entity you represent. Capitalized terms not defined herein shall take the meaning set forth for such terms in the Attachments.
- 1.2. By completing and submitting the NetApp Partner Application Form, You expressly agree that such enrollment / participation in, access to and utilization of the NetApp Partner Sphere Program, in any way, as well as Your purchase of NetApp Products and/or Services whether through a NetApp authorized Distribution Partner or direct from NetApp, including for resale to an End User, (a) is expressly governed by this Partner Sphere Agreement, inclusive of all Program Guide(s) (as defined herein), Attachments and subsequent amendments (collectively “Partner Agreement”) and (b) the Partner Agreement expressly supersedes and replaces any and all prior oral or written agreements or understandings between the Parties with respect to the subject matter contained herein.
- 1.3. The relationship between You and NetApp is that of independent contractors and You must not act or represent Yourself as an agent of NetApp. You are not permitted, under any circumstances, to assign or transfer Your appointment as a NetApp Partner, any rights and obligations in relation to it, and/or this Partner Agreement without the prior written consent of NetApp.
- 1.4. As a NetApp Partner, You may also place orders for NetApp Products or Services for Your use, and not for resale. NetApp Product or Services that You purchase for Your use and not for resale are exclusively governed by the Channel End User Terms, available at <https://www.netapp.com/how-to-buy/sales-terms-and-conditions/>, and in each such instance You shall be deemed the End User notwithstanding Your NetApp Partner status.

At all times pertinent hereunder, the current, governing version of each Program Guide shall be available to You at partners.netapp.com. Together, each such Program Guide and this Partner Agreement replace and supersede any prior agreements between You and NetApp in relation to participation in any NetApp incentive benefits, certification, or technology alliance program, including the NetApp Partner Sphere Program.

NetApp will pay settlement amounts or, if applicable, damages and costs finally awarded by a court of competent jurisdiction (collectively, "Damages") against Partner to the extent such Damages are specifically attributable to the IP Claim, provided that Partner: (a) promptly notifies NetApp in writing of the IP Claim; (b) provides information and assistance to NetApp to defend such IP Claim; and (c) provides NetApp with sole control of the defense or settlement negotiations.
- 5.3.** NetApp may, at its option, substitute or modify the applicable Covered Products, or the relevant portion thereof, so that it becomes non-infringing; procure any necessary license; or replace the applicable Covered Products. If NetApp determines that none of these alternatives is reasonably available, then NetApp may, in its sole discretion, accept return of the Covered Products or termination of an affected subscription to a Cloud Service, and provide a pro rata refund of pre-paid fees received by NetApp for such Covered Product(s), as applicable to the End User.

- 5.5. Notwithstanding anything to the contrary in this Partner Agreement, this Section states NetApp's entire liability and Partner's sole and exclusive remedies for IP Claims.

- 6.3. The Receiving Party's obligations regarding the Disclosing Party's Confidential Information will expire three (3) years from the date of disclosure.
- 6.4. The Receiving Party may disclose the Disclosing Party's Confidential Information to the extent such disclosure is required pursuant to a judicial or administrative proceeding, provided that, unless prohibited by applicable law, the Receiving Party gives the Disclosing Party prompt written notice thereof and the opportunity to seek a protective order or other legal remedies.
- 6.5. Upon the Disclosing Party's written request, all Confidential Information (including all copies thereof) of the Disclosing Party will be returned or destroyed, unless the Receiving Party is required by law to retain such information, and the Receiving Party will provide written certification of compliance with this Section.

7. TERMINATION

- 7.1. Your appointment as a NetApp Partner may be terminated upon thirty (30) days' notice in writing by either party that they wish to terminate. Upon termination You will no longer be permitted to represent Yourself, or act in any capacity, as a NetApp Partner, and any right to use NetApp's name or trademarks, or right to resell or distribute NetApp Products and Services will automatically cease.

Subject to, and except as otherwise set forth in each of the Attachments, either party may terminate an Order for cause: (a) upon thirty (30) days written notice to the other party of a material breach (including for Partner's failure to remit payments when due) if such breach remains uncured at the expiration of such period; or (b) if the other party becomes the subject of a petition in bankruptcy or any other proceeding relating to insolvency, receivership, liquidation or assignment for the benefit of creditors. Termination will not (a) relieve

Partner from its payment obligations with respect to any sums accrued prior to termination, which will become immediately due and payable; or (b) entitle Partner to any refund unless otherwise set forth in this Partner Agreement.

- 7.3. The following Sections will survive termination of this Partner Agreement in accordance with the terms set forth herein: Section 5 (Intellectual Property), Section 6 (Confidential Information), Section 8 (Indemnification) Section 9 (Compliance with Laws), and Section 10 (General). In addition, any sections of the Partner Agreement which, upon a plain reading, are intended to survive termination or expiration of the Partner Agreement, will survive such termination or expiration.

8. INDEMNIFICATION

- 8.1. Partner shall defend, indemnify and hold NetApp and its directors, employees, subsidiaries, and affiliates harmless from/for any and all claims, damages, losses, costs and expenses, including attorneys' fees, arising from any third party claims asserted against NetApp, its employees, subsidiaries, and/or affiliates that are based in whole or in part on: (a) Partner's breach of the Partner Agreement; (b) any Partner service or service provider offering; or (c) any false, misleading or otherwise unauthorized statements or representations.

9. COMPLIANCE WITH LAWS

- 9.1. You agree to comply with all applicable laws in transactions involving NetApp, including but not limited to applicable country laws relating to anti-corruption or anti-bribery, the requirements of the U.S. Foreign Corrupt Practices Act, as amended, the U.K. Bribery Act, and legislation implementing the OECD Convention on Combating Bribery of Foreign Public Officials in International Business Transactions. This means that nothing of value may be given to a third party, such as an actual or prospective customer or End User, in connection with a NetApp transaction to get or maintain business or to encourage an official to perform his or her official duties.
- 9.2. Partner acknowledges that Products and Services are subject to export controls under the laws and regulations of the United States, the European Union, and other countries (as applicable), and that Products and Services may include technology controlled under export and import regulations, including encryption technology. Partner agrees to comply with such laws and regulations and to provide NetApp destination end use and end user information. - 9.3. In the event Partner provides NetApp with access to Personal Information in order for NetApp to provide Products or Services hereunder, the Parties will ensure that such Personal Information is disclosed and handled in accordance with all applicable data protection laws and the confidentiality provisions set forth in this Partner Agreement. To the extent that NetApp receives Personal Information from Partner, the NetApp Privacy Policy (found at <https://www.netapp.com/company/legal/privacy-policy/>) will apply to NetApp's management and usage of such Personal Information and is hereby incorporated by reference. Article 28 (1) of the European Union General Data Protection Regulation ("GDPR") requires an agreement between a controller and processor, and between a processor and sub processor, that processing of Personal Information be conducted in accordance with technical and organizational measures that meet the requirements of the GDPR and ensure the protection of the rights of data subjects. To the extent NetApp acts as a data processor of Personal Information on behalf of Partner: (a) NetApp will comply with the additional terms and conditions applicable to NetApp in the "NetApp Data Processing Addendum," available at <https://www.netapp.com/how-to-buy/sales-terms-and-conditions/>, and (b) NetApp will not retain, use, or disclose such Personal Information for any purpose other than providing or improving Products or Services in accordance with this Partner Agreement. NetApp certifies that it understands the foregoing restrictions and will comply with them.

10. GENERAL

10.1. Audit

- 10.1.1. You agree to grant NetApp or its independent accountants the right to audit and verify Your

compliance with this Partner Agreement and Your role and obligations as a NetApp Partner, upon reasonable advance notice, but in no event less than fourteen (14) calendar days written notice, and only during regular business hours. Such audit may require You (a) giving access to Your records in relation to Your appointment as a NetApp Partner; (b) providing copies of documents or other evidence to verify Your compliance with Your obligations hereunder; (c) responding to requested assessments; and (d) providing periodic certifications. In addition, NetApp will periodically conduct check-ins with regard to Your performance as a NetApp Partner, which may result in Your appointment as a NetApp Partner being revoked or a demotion of Your partner level status if You fail to perform as expected.

10.2. Limitation of Liability

10.2.1. To the extent permitted by applicable law, regardless of the basis of the claims (e.g., whether in contract, tort (including negligence), statute, products or strict liability, or any other form of action):

10.2.1.1. in no event will NetApp or its suppliers or subcontractors be liable to You for special, incidental, exemplary, indirect or consequential damages; downtime costs; loss or corruption of data; loss of revenues, profits, goodwill, or anticipated savings; procurement of substitute goods and/or services; and/or interruption of business. This exclusion is independent of any remedy set forth in this Partner Agreement;

10.2.1.2. NetApp's liability to You is limited to direct damages in an amount not to exceed one million dollars (US\$1,000,000) on a cumulative basis.

10.2.2. These limitations do not apply to liability for claims arising from: (a) death or bodily injury caused by a Party's negligence or gross negligence; (b) willful misconduct or fraud; (c) any other liability which cannot be excluded under applicable law; or (d) IP Claims for which NetApp indemnifies Partner under Section 5 (Intellectual Property).

10.3. Updates. You agree that NetApp may modify and/or update this Partner Agreement, including the Attachments and Program Guides, at least once annually without prior notice to You ("Updates"). The current Partner Sphere Agreement and Attachments will be available to You at <https://partnerhub.netapp.com/s/partner-sphere-agreement>, and the current Program Guide(s) will be available to You at partners.netapp.com. At any pertinent time hereunder, the then current posted version of the Partner Sphere Agreement, Attachments and Program Guide(s) shall be the controlling terms of Your Partner Agreement with NetApp.

10.4. Notices. Except as specifically stated, all notices or other communications required or permitted under this Partner Agreement must be in writing and must be delivered by personal delivery, certified overnight delivery, or registered mail (return receipt requested), and will be deemed given upon personal delivery or upon confirmation of receipt. In addition, the parties each consent to notice by email or electronic transmission sent to the email address provided by Partner and, for NetApp, to the following email address: General.Counsel@netapp.com. It is Partner's responsibility to update its contact information, including e-mail address(es), provided to NetApp on an on-going basis and NetApp shall be deemed to have complied with this section by delivering any notice or communication hereunder to the contact information then on file with NetApp.

10.5. Force Majeure. Neither party will be liable to the other for any alleged loss or damages resulting from acts of God, acts of civil or military authority, governmental priorities, fire, floods, earthquakes, epidemics or pandemics, quarantine, energy crises, strikes, labor trouble, terrorism, war, riots, accidents, shortages, delays in transportation, or any other causes beyond the reasonable control of a party (each a "Force Majeure Event"). For the avoidance of doubt, Force Majeure Event will not relieve Partner's obligation to make payments due hereunder for Products or Services actually delivered. If the Force Majeure Event continues for more than thirty (30) days, the parties will negotiate in good faith the termination of the affected Order(s).

10.6. Governing Law / Venue

10.6.1. This Partner Agreement, the interpretation hereof, and any dispute arising hereunder will be governed as follows:

10.6.1.1. Subject to and limited by Section 10.6.1.2 herein, with respect to any dispute arising from or related to Your participation in the Partner Sphere Program and/or any incentive benefits thereunder (a) the State of California, United States, if You are located in the United States, Canada or Mexico or (b) Ireland, if You are located elsewhere, and in all cases, without regard to conflict of law provisions.

10.6.1.2. With respect to any dispute arising from any Order, the state and/or country where the NetApp entity that accepted and/or otherwise entered the related Order is incorporated, excluding any relevant conflict of law provisions.

10.6.2. The United Nations Convention on Contracts for the International Sale of Goods will not apply to this Partner Agreement or any Order.

10.7. Entire Agreement/Amendments. Except for NetApp Updates, this Partner Agreement may not be changed except by an amendment signed by an authorized representative of each party. In the event of a dispute between the English and any non-English version of this Partner Agreement (where translated for local requirements), the English version of this Partner Agreement will govern, to the extent permitted by applicable laws. This Partner Agreement, including any Program Guide(s), Attachments and/or supplemental terms referenced herein, (a) represent the entire agreement and understanding between the parties with respect to participation in, access to and utilization of the NetApp Partner Sphere Program, in any way, as well as Your purchase of NetApp Products and/or Services whether through a NetApp authorized Distribution Partner or direct from NetApp, including for resale to an End User; (b) supersede any previous communications, representations or agreements between the parties; and (c) prevail over any conflicting or additional terms in any Order, acknowledgement, or similar communications between the parties or between You and an End User. Orders issued to NetApp are deemed to incorporate and be subject to this Partner Agreement, except where the parties expressly agree in writing to variations thereto. The pre-printed terms or general terms and conditions on any non-NetApp order document, whether signed by NetApp, or other similar non-NetApp document will have no effect.

10.8. Interpretation. Headings are inserted only for convenience and ease of reference and are not to be considered in the construction or interpretation of any provision of this Partner Agreement. Any use of the word “including” in this Partner Agreement will not be deemed to limit the meaning of the preceding word or phrase. Each party has been given the opportunity to independently review this Partner Agreement with legal counsel and each party has the requisite experience and sophistication to understand, interpret, and agree to the particular language of the provisions. Therefore, in the event of any ambiguity in or dispute regarding the interpretation of this Partner Agreement, the drafting of the language will not be attributed to either party.

1.2. NetApp Products and Services are subject to export and import control laws and regulations of the United States, the European Union and other countries and may include export-controlled technologies such as encryption. You agree to comply with such laws and regulations and maintain full, true, and accurate records of exports, re-exports, and transfers of the Products and Services purchased or deployed for a minimum of seven (7) years from the date of shipment.
